The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

- 1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents or any building or structure at the ground.

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

WADCC GENERAL RULES

2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

This is not intended to replace Law 42(4) and (5) of the Laws of Cricket.

Without limitation, players will breach this Rule if they deliberately attempt to distract a striker by words or gestures or deliberately shepherd a batsman while running or attempting to run between wickets.

2.5 Throw the ball at or near a player or official in an inappropriate and/or dangerous manner.

This Rule will not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion.

2.6 Use language that is obscene, offensive or of a generally insulting nature to another player, official or spectator.

This is language or gestures which are directed at another person. See comments under Rule 1.3 above in relation to the seriousness of the breach.

2.7 Change the condition of the ball in breach of law 42.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration and saliva.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

This is meant as a general Rule to deal with situations where the facts of, or gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 42 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket. Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts or, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

- 5.11.2 Bowlers who are Junior Players shall be limited to a maximum number of consecutive overs in any one spell and to a maximum daily quota as follows:

	U13 Comp	U14 Comp	U15/17 Comp	U17	U19
Max overs (Pace bowling)	8 overs per day	10 overs per day	12 overs per day	16 overs per day	20 overs per day
Max spell (consecutive overs, Pace bowling)	4 overs	5 overs	6 overs	6 overs	8 overs
Rest spells between	20 minutes	20 minutes	30 minutes	30 minutes	30 minutes

- 5.11.3 It is the responsibility of the Umpires to calculate the number of overs that may be bowled by a Junior Player, to inform the fielding team when the maximum number of overs has been bowled or this clause is being breached, and when the relevant rest period has been completed. It is the responsibility of the captains, Junior Players and Umpires to ensure this clause is complied with.
- 5.11.4 This clause applies to any Junior Player playing in a Junior Competition or a Senior Competition. In Senior Competition, captains shall indicate on the team sheet who is a Junior Player and the number of overs the Junior Player has already bowled in a Junior Competition on that day, if any.

- (b) "Slow Bowler" means any bowler to whom, in the opinion of the umpires, the wicket keeper would normally stand up to the wicket and "Slow Bowling" has a corresponding meaning.
- (c) Rest between spells is inclusive of any intervals or breaks.

5.12 Procedure for Handing Suspect Bowling Action

5.12.1 As at the date of these Rules, the following Law 24 (No Ball) contained these provisions regarding the role of the arm in a valid delivery:

For a delivery to be fair in respect of the arm the ball must not be thrown (excerpt from Law 24.2); and

A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that point until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing (Law 24.3).

5.12.2 In all WADCC Competitions this Law is modified so that a "no-ball" will only be awarded for a breach of Law 24 if it is considered by the umpire that the bowler deliberately threw the delivery, but not because of doubt about the player's general bowling action for which the player has not received a warning under clause 5.12.3.

5.12.3 In the interests of the player concerned and WADCC Competitions, it is permissible during a match for the umpire to warn the bowler, captain or coach that he considers the bowler's action to be unfair and if he continues to bowl his action may qualify for a "no-ball" call under Law 24, note it on the match report and advise the WADCC Umpiring Co-ordinator.

5.12.4 Separate investigation as per the guidelines in clause 11.5 may be undertaken by the WADCC, the WACA and the Club after receiving notice on the match report of a bowler's unfair arm action, or if a Club instigates its own investigation of the player's bowling action.

5.12.5 If the player is subsequently reported by an umpire for breach of Law 24 in respect to the arm action, the player will not be allowed to bowl in a WADCC Competition until a subsequent re-assessment as per clause 5.12.4.

6. PLAYER REGISTRATION AND QUALIFICATION FOR WADCC COMPETITIONS

Note 1:

4. *Not disqualified from playing (breach of Code of Conduct, financial).*
No additional clearance is required for a Junior Player registered in MyCricket to play for the same Club in the Senior Competition.

Note 2:

Whilst District Boundaries apply to WADCC Competitions, local players must also check Section 9 of these Rules to determine if they need a clause 6.5 WADCC Residential Permit to play outside their District.

6.1 Player qualification for WADCC Competitions

6.1.1 Registered Players are qualified to play in Competition matches (Junior Competition or Senior Competition) if they satisfy the following:

- (a) they have satisfied any WADCC registration requirements to play for the Club for which they play (as per clause 6.2 and clause 9.2), or have obtained a clearance to change Clubs (clause 6.3 and clause 9.3) or have obtained a WADCC permit (as per clause 6.5);

6.2 Player Registration with a Club using MyCricket

6.2.1 Each season, the WADCC will deregister all players from the previous season and then Clubs must register all their players in the MyCricket system after WADCC has notified Clubs that the MyCricket system has been activated for the present Season, and not before 1 July.

6.2.2 A player who has not previously played in a Competition shall be eligible to play with any WADCC Club they can validly register with pursuant to clause 9.2 or by obtaining a permit under clause 6.5. Otherwise, any player of a Club that wishes to change Clubs must apply for a clearance to transfer in accordance with clause 6.3.

6.2.3 To play in a WADCC Competition, a person must be registered with a club in the MyCricket system prior to the team match details being entered into MyCricket, no later than the scheduled start of the match.

6.2.4 A son, if he has not played in the Senior Competition before, may register and play for the same Club in the Senior Competition as his father provided that his father played the last five years of his District Cricket with that Club or his father played eight seasons in all for the same Club (whether it be after or prior to the introduction of District Cricket). If the son is qualified for the University Cricket Club under clause 9.3 then he may play with University Cricket Club without losing his rights under this clause.

6.2.5 A player, at any time after completion of ten years consecutive service as a Senior Player and being a financial playing member with his current Club, may register with another Club as a new player and will be cleared by WADCC upon application under clause 6.3.

6.3 Player Movement and Clearances using MyCricket

6.3.1 A club ("New Club") cannot play a player who has previously played for another club ("Former Club") in any Competition unless the Former Club or WADCC has granted a clearance prior to the player's first game for the New Club.

WADCC GENERAL RULES

- 6.3.2 An application to a Former Club for a clearance to play for a New Club must be made in MyCricket no earlier than 1 July and no later than 5pm on 31 January using the following process:
- (a) The New Club, on behalf of the player, will make the application for a clearance to the WADCC and the Former Club in MyCricket.
 - (b) No later than 7 days after the clearance application is lodged in MyCricket, the Former Club must respond in MyCricket whether it grants or refuses the clearance.
 - (c) If the Former Club grants the clearance, the WADCC will finalise the player's movement to the new Club in MyCricket as soon as possible.
 - (d) If the Former Club refuses to grant a clearance, it shall include in its MyCricket response the reasons why the clearance has been refused, including details of why the player is unfinancial under clause 6.4 (if applicable), and any other reasons that the Club relies upon. WADCC may request further information using MyCricket.
 - (e) No later than 14 days after the application for a clearance was made, or 7 days after the Club notified its refusal (whichever is earlier), the WADCC will confirm the Former Club's decision to refuse to grant the clearance, or WADCC will grant the player a clearance, in accordance with clause 6.3.4.
- 6.3.3 For the purposes of clause 6.3.1 and 6.3.2:
- (a) any financial player who satisfies the District territory requirements of clause 9.2.1(c) or (d) in respect to the New Club will be granted a clearance by WADCC;
 - (b) any financial player applying for clearance to University Cricket Club under clause 9.3.1(a) will be granted clearance by WADCC, provided they satisfy the requirements of clauses 9.3.1(a) and 9.3.2;
 - (c) any financial player applying for clearance to a Club under clause 6.2.5 will be granted clearance by WADCC; and
 - (d) the WADCC will apply clause 6.4 and make use of the clause 2.5.7 list of un-financial members provided by Clubs.
- 6.3.4 Where a clearance has been refused by the Former Club under clause 6.3.2(d), WADCC will enquire into the reasons, and decide whether it will grant the clearance applying these principles:
- (a) The main principle to be applied is one of fairness to both the player and the Club from which he requires to be cleared.
 - (b) Fairness, considered from the player's point of view, means a consideration of what the player considers is best for him. If the application is made after the start of the Season, the player must also take into consideration that they have registered with the Club for all practical purposes to play for that Club for that Season and a clearance will only be granted in special circumstances, being circumstances which are considered by the WADCC to be unusual, exceptional or atypical.
 - (c) Fairness to the Club should take into account that the player has agreed to play for that club for the Season upon agreeing to register with the Club for that Season only, and the Club has an expectation that the player will play the entire season for that Club.
 - (d) If a doubt exists then the benefit of that doubt should be given to the Club.

6.4 Unfinancial Members

- 6.4.1 No member of a Club who leaves such Club to join another Club shall be eligible to play in any Competition, until they are financially clear of the Club of which they were originally a member.
- 6.4.2 No player who has been playing in the competition of another cricket association affiliated with the WACA shall be eligible to play in any Competition until they satisfy the WADCC that they are financially clear of such an affiliated association.
- 6.4.3 A player shall be deemed to be financially clear of a Club if, up to the time of leaving the Club, they have paid their annual subscription, special levies in the nature of subscription, wicket fees, and any debt or penalty validly imposed by the Club in accordance with the rules thereof. The final decision on eligibility shall be left to the discretion of the WADCC.

The player may play for the Club of the player's choice, subject to WADCC approval. The permit is to be obtained from the WADCC by making an application using the MyCricket system and will expire at the end of the second Season to which the Two Year Permit applies, unless terminated earlier with the consent of the Club to which the permit applies. At the expiry or termination of the Two Year Permit, the player will remain registered with the same Club, and require a clearance under Rule 6.3 to change Clubs.
- 6.5.3 A resident of the State of Western Australia who does not satisfy any of the requirements in clause 9.2 for a Club they want to play for must obtain a one year permit ("**Residential Permit**") from the WADCC to play for a Club. The player must first register with a Club in MyCricket under an applicable sub-section of clause 9.2 and then apply for a permit to the WADCC with that Club's consent.
- 6.5.4 At the conclusion of the Season to which the Residential Permit applies, the permit will expire.
- 6.5.5 The WADCC will process an application for a permit within 7 days of it being lodged in MyCricket. A WADCC decision on a permit application is final unless withdrawn by the WADCC and there is no right of appeal to the Tribunal.
- 6.5.6 Any three season permits granted under clauses 6.6(iii) of the 2012 WADCC Rules and Conditions of Play existing immediately prior to the date of commencement of these General Rules will continue to apply for the period of the original permit, as if they were a Two Year Permit granted two years prior to their expiry date.

10. MATCH AND COMPETITION RESULTS

10.1 Scoring and MyCricket Score Entry

- 10.1.1 All Clubs will be required to use the MyCricket and StatsMaster live scoring system for First Grade Teams, or as otherwise directed by WADCC.

WADCC GENERAL RULES

10.1.2 All teams are required to enter teams into the MyCricket match data prior to the start of the match in each round, and to enter replacement players as soon as possible after a replacement is made.

10.1.3 Scorers should record the following information:

- (a) the name and age of any under-age player competing in a Senior Competition match; and
- (b) the number of overs any under-age player has already completed in a Junior Competition match on the same day.

10.1.4 Full Match Scores must be entered via MyCricket by 7pm that day.

10.2 Post-match Reports

10.2.1 Home Club captains must submit match details and a Captain's Report by the Monday following the match at 10am, using the MyCricket system. The visiting Club captain must confirm the match details and submit a Captain's Report by 10am on the Tuesday after the completion of the match. Reports are required for every Senior match where play has commenced, even though a result may not have been achieved.

10.2.2 Clubs that have not complied with this Rule and then the failure continues for more than 24 hours after the WADCC demands entry of the match reports, will be ineligible to receive points for the match until it is complied with. If match results are not entered before the next fixture in the Competition the WADCC may refuse to allow the team to be awarded points for the match.

10.3 Ladders

10.3.1 Ladders for each Competition shall be calculated in MyCricket by setting the points system equal to the points designated in the relevant Competition Rules for win, draw, tie or loss.

10.3.2 In the Senior Grade Competition, all points gained from any match format played will count toward the rankings in each grade.

10.3.3 In the Senior First Grade Competition, a separate one-day match ladder will contain the points derived from the one-day matches designated by the WADCC (exclusive of any rounds played pursuant to clause 5.8). The top four ranked teams in the ladder of the One Day (Limited Overs) Senior Competition will play in the semi-final for that competition.

10.3.4 To determine the ranking of teams otherwise equal on points, in Ladder setup in the MyCricket system, the following MyCricket quotient calculation will be selected: :

(Total runs scored/total wickets lost)/

(total number of runs scored against/total number of wickets taken)

10.4 Club Championship

10.4.1 Club championship points will be awarded to each Club during the non-finals rounds, based on the points earned in each of the four Senior Competition grades, multiplied by these weighting factors:

- (a) First grade: 6
- (b) Second grade: 4
- (c) Third Grade: 3
- (d) Fourth Grade: 2

WADCC GENERAL RULES

- 10.4.2 Club Championship points will be calculated automatically using the MyCricket system, based on the same match points used for the calculation of the Ladders.
- 10.4.3 The Club with the most points at the end of the qualifying rounds in a Season, calculated in accordance with this Rule, will be named the Champion Club. In the event of a tie, the Champion Club will be decided by the team with the most first grade winning matches in the Senior Grade Competition, and if necessary, reference will be made to the number of wins by the tied Clubs in successive lower grades in the Senior Grade Competition to determine the winner.
- 10.4.4 Only one team per club in each grade of the Senior Grade Competition may earn points for the Club Championship. Should there be more than one team, the club shall nominate its point-scoring team before the first round of the season.

10.5 Finals

- 10.5.1 Unless otherwise advised by the WADCC, finals will be played:
- (a) in three rounds: elimination final, semi-final and final;
 - (b) matches will, where possible, be fixture to be played at the home ground of the higher ranked teams, who will be responsible for the provision of amenities and catering;
 - (c) except in the Final where grounds will be pre-determined; and
 - (d) fixtures will be based on team rankings in Ladders at the end of the qualifying rounds as follows:

Elimination Final

1st v 6th

2nd v 5th

3rd v 4th

The two lowest-ranked losing teams are eliminated and then the Elimination final rankings determine the Semi-Final fixtures.

The Semi-Final

1st v 4th (SF1)

2nd v 3rd (SF2)

unless in the Elimination Final 6th beat first in which case the Semi-Final draw is:

1st v 3rd (SF1)

2nd v 4th (SF2)

Final: Winner SF1 v Winner SF2

10.6 Awards Qualification

In particular, clubs should ensure that alcohol is not provided to under-age players and patrons. Where possible, alcohol should be consumed so that players, spectators and officials can consume in a licensed area and not in player change-rooms.

 - (b) If bleeding cannot be controlled and the wound securely covered, the player must not continue in the game.

11.3.2 The additional WADCC rules for its Competitions in extreme heat situations are as follows:

- (b) On days where the temperature is extremely hot or forecast to be extremely hot at midday, WADCC will consider abandoning play in the Senior Competition, and will notify Clubs through the Competition Manager.

11.3.3 These general considerations apply to the WADCC Competitions:

- (a) The welfare of players and umpires is paramount.
- (b) The primary responsibility for ensuring the safety of individual participants are the individual players and Clubs.
- (c) Individuals have a responsibility to withdraw from participating if their particular circumstances place them at an unacceptable level of risk. Clubs also have a responsibility in this regard.
- (d) On days of extreme heat coaches, players, umpires and officials should be aware of the possible risks and carefully monitor all players and umpires. If any show signs of distress from the heat, swift and appropriate action should be taken.

- (f) Ensure there are sufficient shaded areas at grounds for both players and spectators where possible.
- (g) In extreme heat conditions ensure there are qualified trainers and first aiders at the ground. The home team is responsible for providing

first aid and/or the contact details of the closest medical assistance available.

11.4 Travel Subsidies

11.4.1 Clubs which are required to travel during a Season to a regional venue to play a Competition match are eligible for a subsidy. The subsidy is based on 50% of the costs, up to a maximum \$500. Clubs are required to submit copies of invoices or receipts to confirm expenditure.

- (b) the player will not be allowed to bowl in any WADCC Competitions during the period of the remedial plan.

11.5.6 The remedial plan under clause 11.5.5 shall involve appropriate WACA coaching and information staff as required.

11.5.7 At the end of the remedial period the bowler shall be evaluated by the TDO and the Club coach who shall decide whether the player is cleared to bowl or if further remedial action is required.
