## Explanation Of Result Sheet

Scoresheets should not be submitted, nor loaded into MyCricket. The purpose of the MMB match result sheet is for competition administrators to calculate how many points to award to each team. Both scorers simply need to fill in the boxes *on a single sheet and* sign. The winning team should email it to [philledwards@gmail.com](mailto:philledwards@gmail.com) – calculation of points will be done by the competition administrators. The points system is explained in the playing regulations.
