Explanation Of Result Sheet

Scoresheets should not be submitted, nor loaded into MyCricket. The purpose of the MMB match result sheet is for competition administrators to calculate how many points to award to each team. Both scorers simply need to fill in the boxes *on a single sheet and* sign. The winning team should email it to philledwards@gmail.com – calculation of points will be done by the competition administrators. The points system is explained in the playing regulations.

PTO for instructions

Team name e.g. "Cromer Kings"

Score (wickets - runs excl "Super Over"). E.g. if your team lost 4 wickets for 137 runs enter "4 - 137".

Write batters' names and runs scored for each score of 20 and over.

Enter Y or N to indicate whether or not your team was all out.

Overs.Balls received by your team when batting. E.g. if all out on 4th ball of 18th over write 18.4.

Number of runs scored by your team in the "Super Over".

Signatures indicate result sheet was agreed by both teams before emailing in.

Any comments you would like to communicate to competition organisers.

Age Group and MMB league number (not Sat morning comp division number) eg U12 / 2

Name of player nominated as Joker + how many wickets he/she took + number of maidens overs he/she bowled.

Total number of maiden overs bowled by your team.
